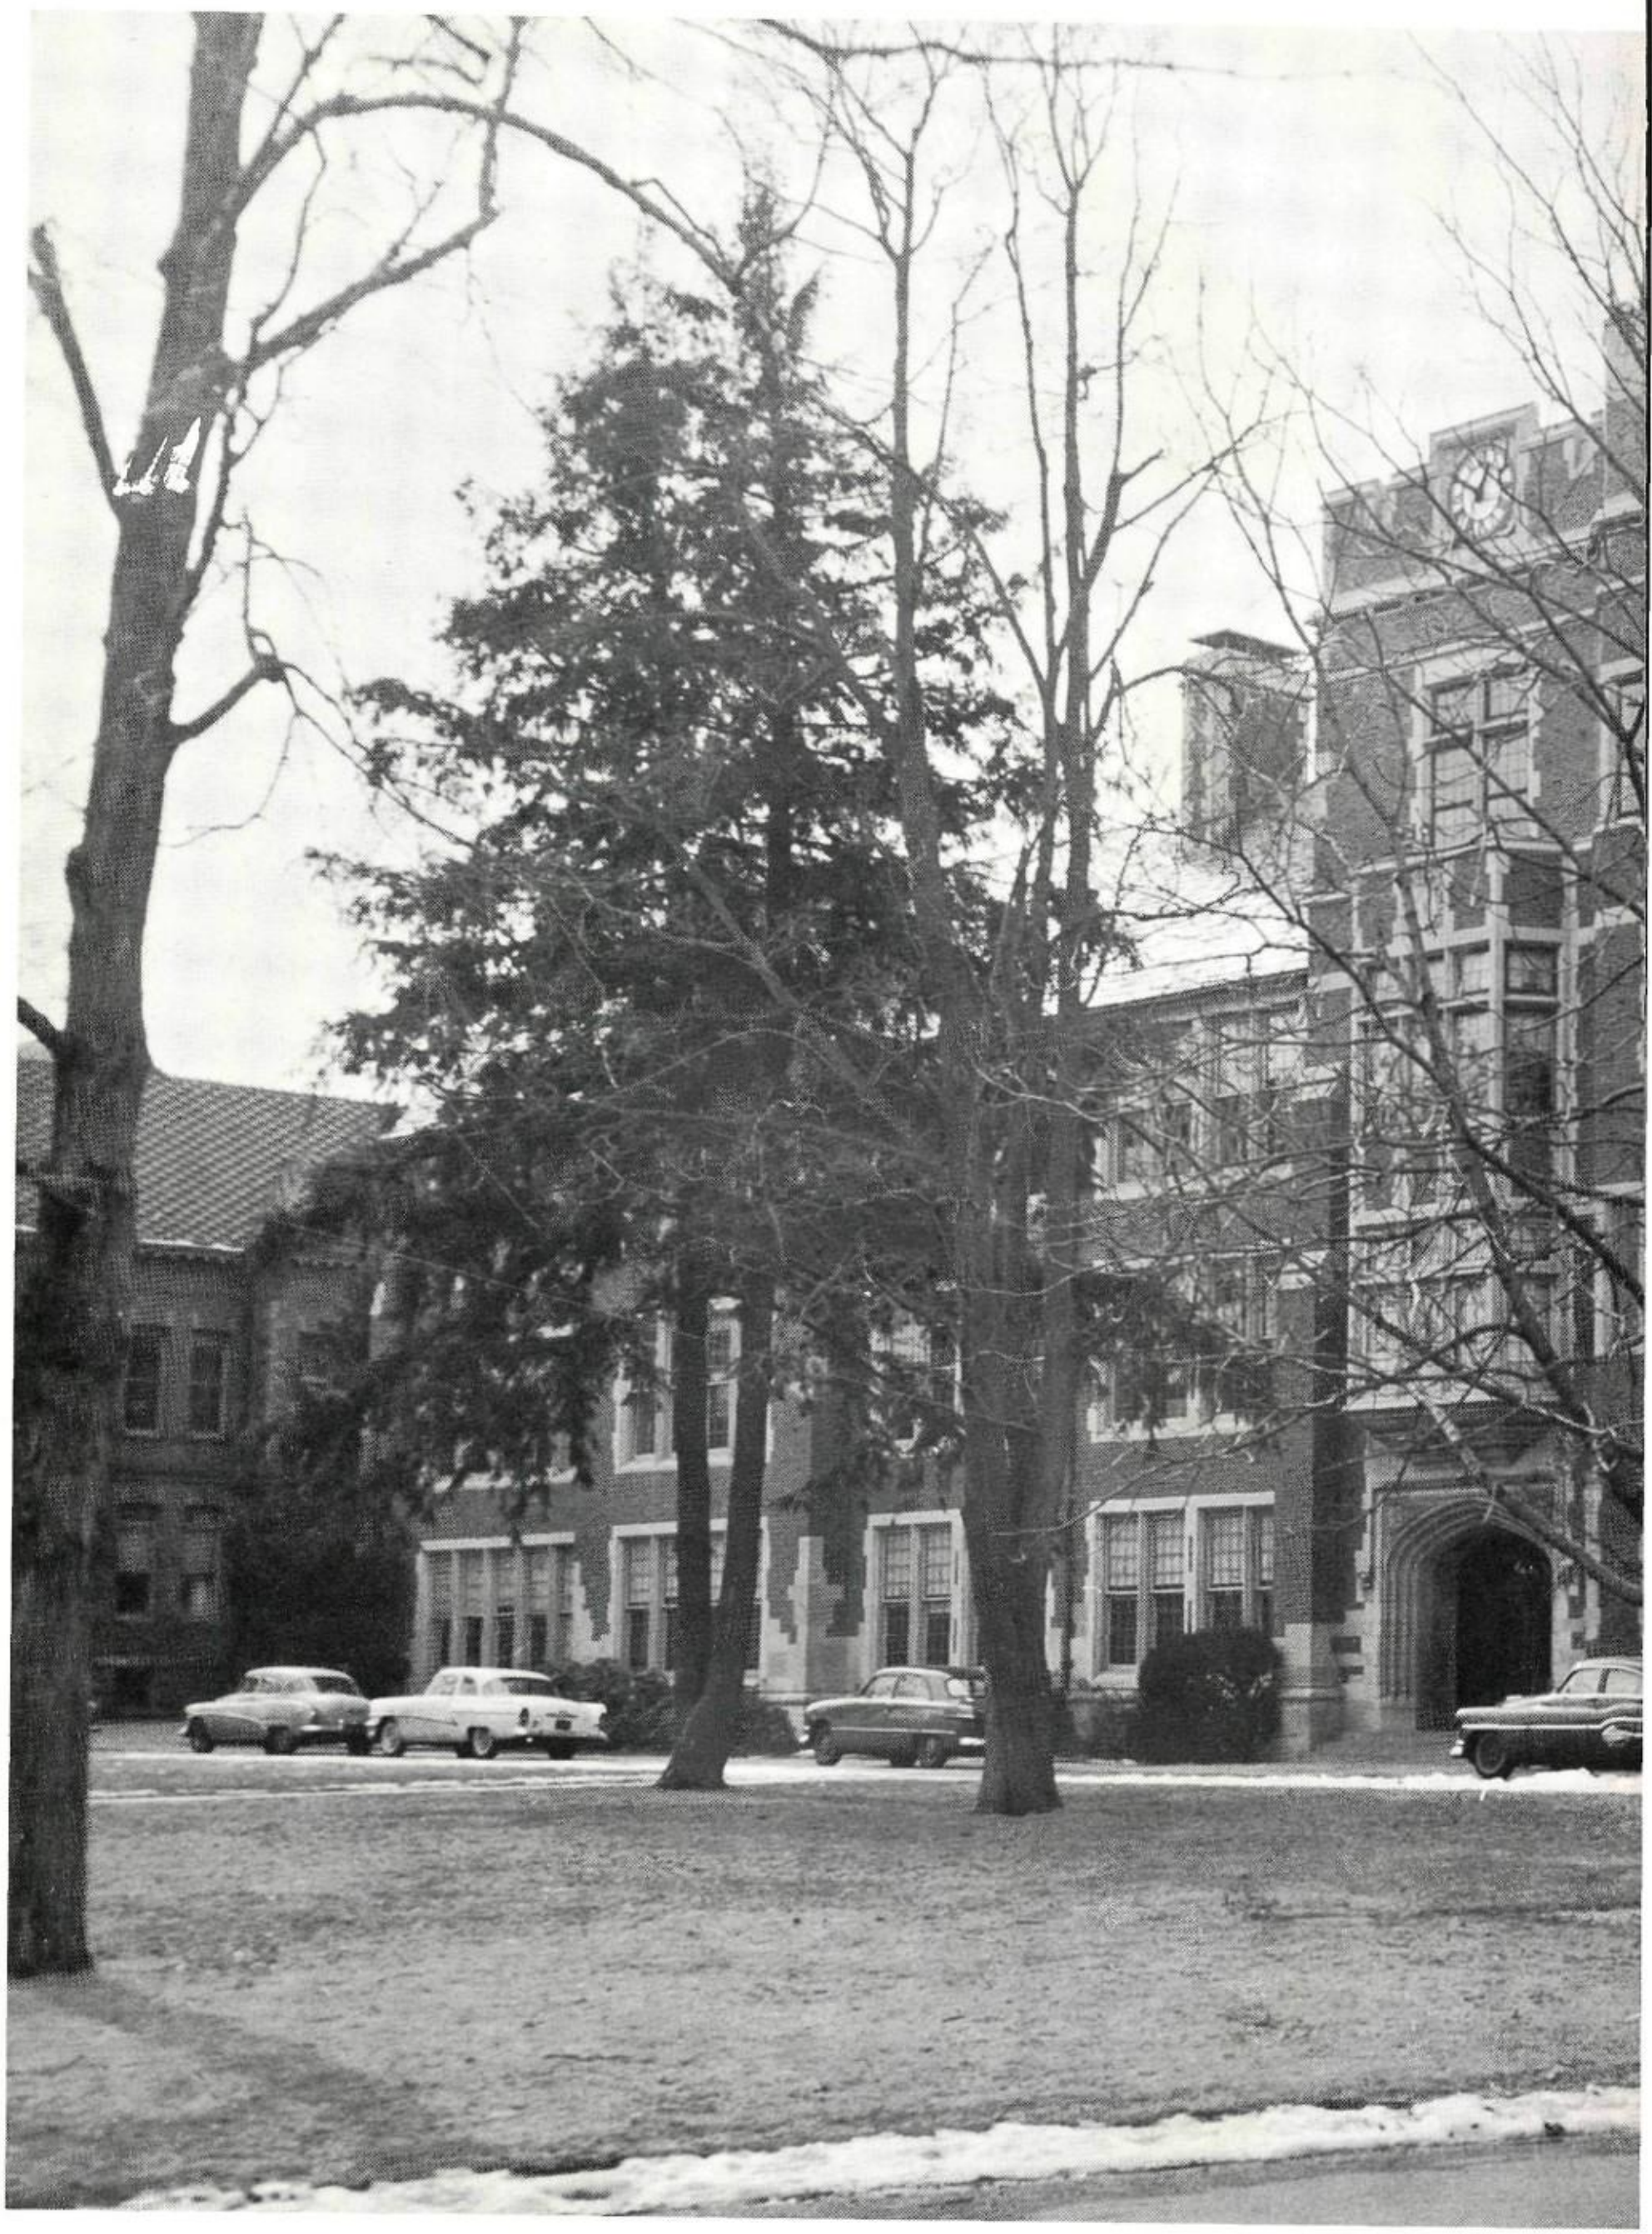
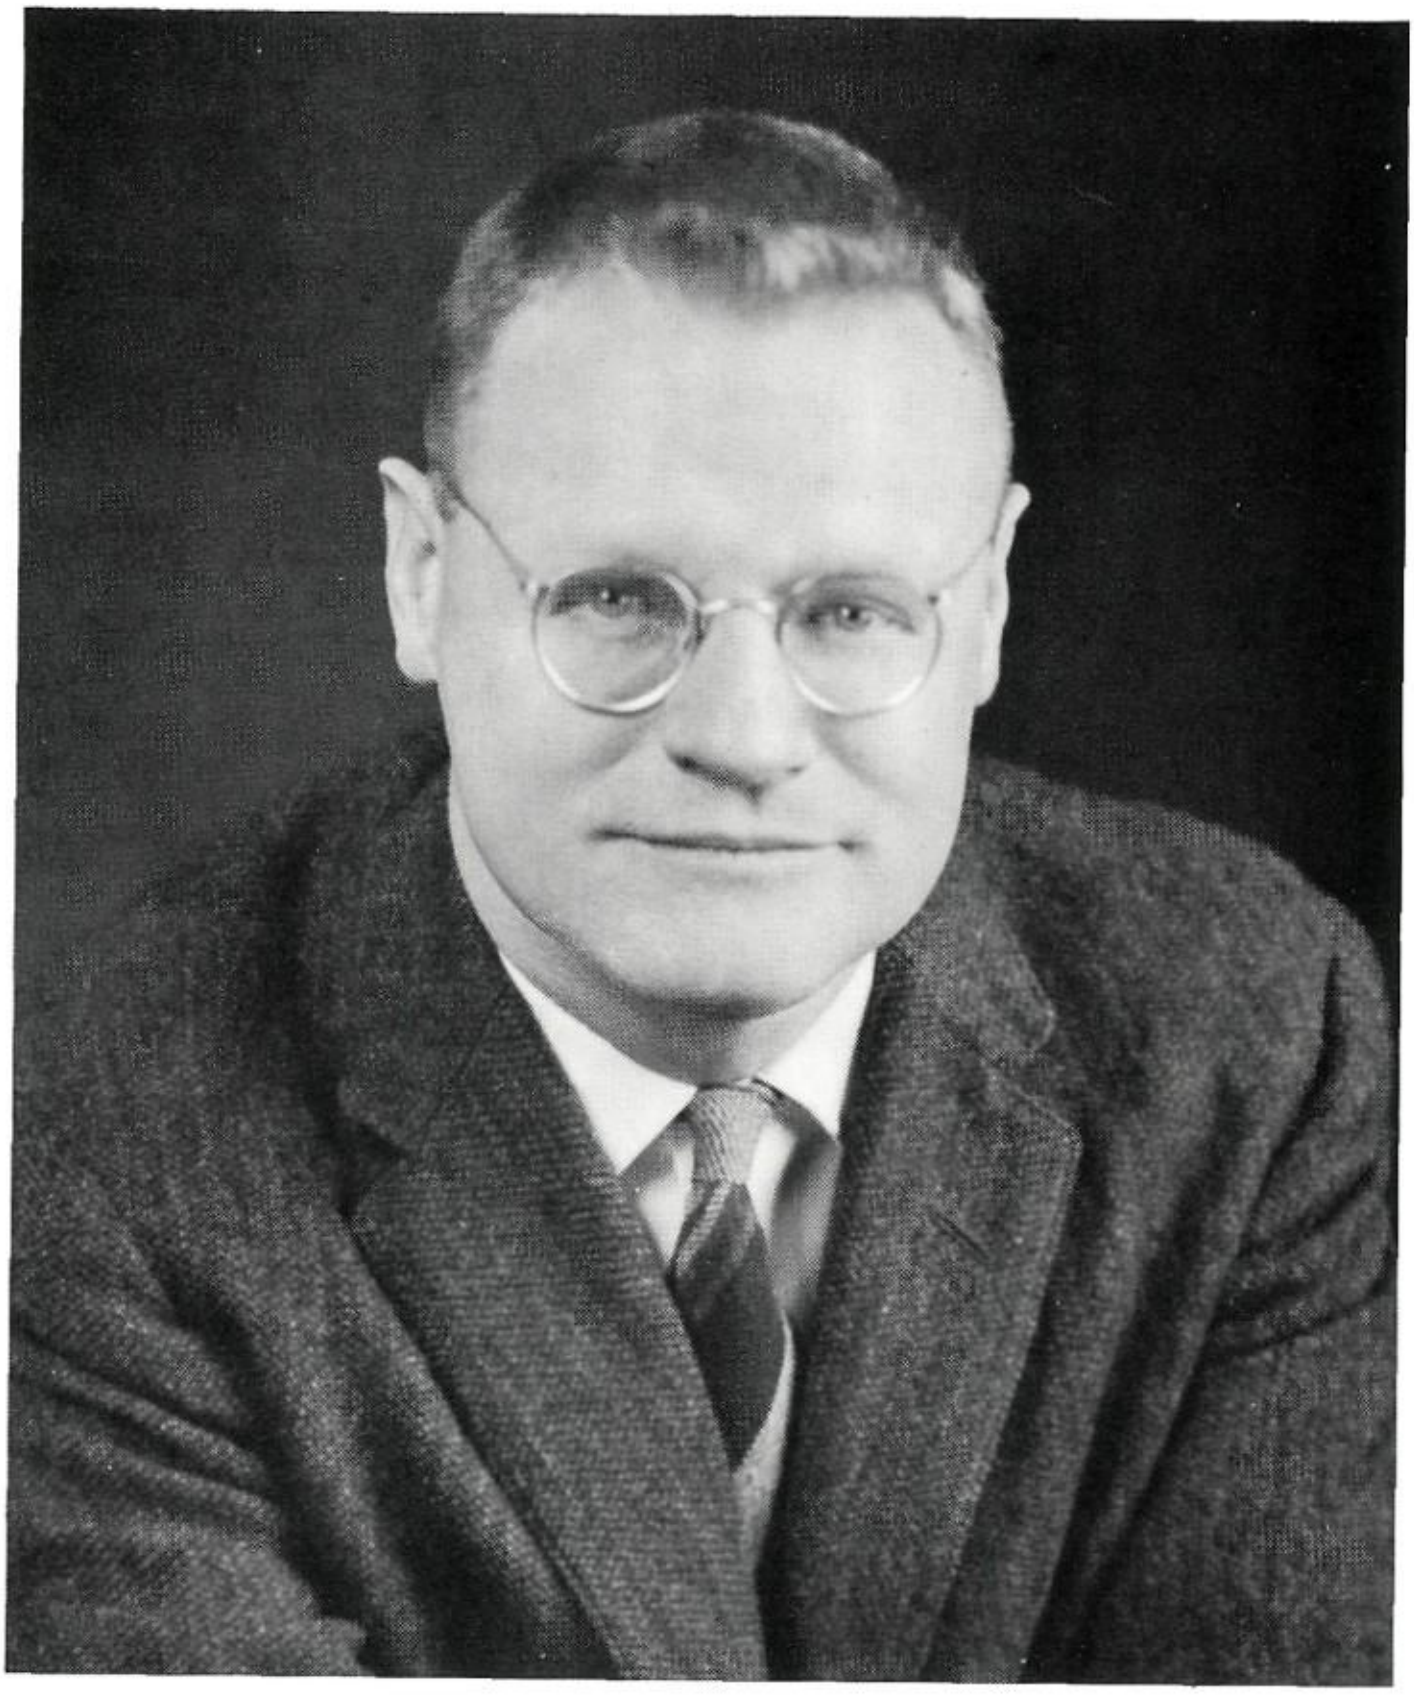
Our Scrapbook of Memories



Dedication



We, the Class of 1958, in appreciation of his loyalty, amicability, generosity and good-nature, wish to dedicate this, our yearbook, to Mr. Osgood Eaton.

We are sharing "Our Scrapbook of Memories" with you, our readers. This is an attempt to display what we, the Senior Class of 1958, will remember through the years. The classes, the teachers who helped shape our futures, the trip to Bear Mountain, the parties, the sports and activities, the fun; all these are the Memories in Our Scrapbook.

Class History

As the day of our graduation approaches, we look back at the tracks we left in the sands of time at Dear Old Dobbs.

Remember . . . when we entered our Freshman year in 1954-55? As Freshmen we started out our High School career by choosing Roy Higgins, President; Curtis Tilton, Vice President; and John O'Connor, Secretary. "The Freshman Swing Session," our first dance, proved to be a tremendous success, even though it poured cats and dogs that night in November! Other memories filling our minds of our Freshman year are those of the trip to the United Nations with our social studies teacher, Mrs. Jamieson. Furthermore, we had the thrill of seeing some of our classmates make the athletic teams.

Remember . . . the day we became Sophomores? We were no longer lowly frosh, to be looked down upon by the upper classmen. We then, in 1955-56, elected our class officers, namely: Nancy Bucci, President; Jimmy Stedman, Vice President; and Geraldine Shutowick, Secretary. Our second dance was "The Halloween Hop" which had fabulous decorations — our two scare crows were the center of attraction. We also had corn stalks, pumpkins, and a huge moon and witch. Mr. Cohen, our biology teacher, took us on a trip to the Planitarium and to the Museum of Natural History.

Remember . . . the day we became Juniors? We had finally reached the point where we were upper classmen, Hurrah! At last we were nearing the top. We met with Mr. Mikulsky, our Junior advisor, to elect officers for that new, and we hoped, different year. Roy Higgons became our President, Sara Cowles became Vice President, John O'Connor was elected Treasurer, and Theresa Bartels became our Secretary. Then we Juniors really became known as a "choice" class with the dance that made the whole school sit up and take notice — "The Cuban Holiday" on the 19th of February 1957. As usual, we presented another spectacular dance. With the aid of the splendid decorations, our dance was a smash hit. Our Junior Prom, "Midsummer's Night Dream," which was given on June 20, 1957 was the most stupendous and exquisite dance, in our opinion, ever given. We really felt superior having moving pictures taken of us while the Seniors looked on with envy. In the sports field, we were very proud of Bob Audevard because he made the All-County Team that year. Towards the end of the year, we began laying plans for our Junior Prom. We can truly say that "A good time was had by all." Another important phase of our Junior year was to choose our class rings. The next big step was to elect our Student Council President. The political campaign then got under way and Greg Hill became our Student Council President. At this point in our careers, we began to feel very confident of ourselves, knowing that we had almost reached our supreme desire — To become a SENIOR!!!

Remember . . . The day we became SENIORS? What a thrill it was! First on our agenda, as Seniors, was the task of electing class officers — under the leadership of our advisors, Mrs. Marie McManus and Mr. Glenn Polly. Roy Higgins became our President, John O'Connor was elected Vice President, Sara Cowles became our Treasurer, and Theresa Bartels was elected our Secretary. Ah, but we soon found out that the life of a Senior is not one of complete luxury because the homework assignments were piled on immediately. However, we were somewhat relieved when the time came rolling around for us to "escape" school for a day by spending an absolutely marvelous and extraordinary day at Bear Mountain. We felt the results the following day, however — aches, moans, groans, and all sorts of pains!

"They'll never get here!!" That's what we thought about our Senior rings. We waited, waited, and waited. Ah, they finally arrived! We were now officially Seniors. We were very happy for the boys in our class who were elected the previous year to important jobs in sports, namely; Bob Audevard, football captain; Roy Higgins and John O'Connor, co-captains of the basketball team. As the year progressed, we began to work on our yearbook, were measured for our caps and gowns, and ordered our graduation announcements. The latter two made us really stop to realize that departing time was just around the corner. On Saturday, the 21st of December, we presented our Senior Ball, "Club '58." Christmas vacation came as a well-earned rest, but we soon found ourselves back in school again, worrying about those dreaded mid-terms. Nevertheless, after we crossed that hurdle, with minor frustrations, we went on to bigger and better things. We chose our Senior play — "Headin' for a Weddin.' " We'll never forget all those fabulous "Senior Parties," especially the first one, when Bob Hutchings, Billy Carroll, and John Migliore turned collegiate and appeared in Bermuda shorts! We also showed the moving pictures that were taken at the prom. Furthermore, will we ever forget "Wake Up Little Susie?"

As the year slowly ebbs away and we Seniors look forward to our Senior Dinner and our graduation exercises which make up the last lap of our journey, there is so much regret in our hearts. Time shall never erase our memories of these special years past. We shall never forget all the friendships, good times, and knowledge that we found here in Dobbs Ferry High School.

Eagles Nip Broncs

During the last several years Dobbs Ferry's prestige in sports has greatly increased due to the fine caliber of play from the various years. In most schools, prominence is attained in one sport or possibly two, but here in Dobbs Ferry we have been producing exceptional teams in all three major sports, namely football, basketball and baseball. We have a record of which we are justly proud and will remain so. However, we must not lose sight of the fact that sports are for fun and entertainment, and when we do lose we must be able to accept it as good sports.

We have had championship teams at Dobbs and we are sure there will be many more in the near future. However, we, players as well as spectators, must portray the role of true champions to the hilt.

Although this past football season Dobbs Ferry had a very poor year record-wise, it did serve a very useful purpose by providing the members of this young team with very much needed experience. The team was young in the sense that from the undefeated team of the year before, only two regulars returned. Therefore, our new coach, Mr. Peter Dyer had to assemble an almost entirely new team. He did an excellent job and the fruits of his labor and that of the whole squad will be shown next year when Dobbs Ferry once again will pile up many victories.

Varsity Basketball

For the past three years Dobbs Ferry had continually produced one of the finest ball clubs in Westchester. This year although there were doubts before the season began among outsiders, we again produced one of the best teams in the county. Of course many people remember our three losses and forget our fifteen wins. However, if they will think about it they will realize that we were just as good as the other fine teams in the county.

People had thought that since Dickie Graham and Coach Luce had left we would not be able to win as much. However, the scoring trio of Roy Higgins, John O'Conner and Georgie Graham more than made up for Dick's departure and our new Coach, Mr. Kohl, proved himself to be a very able coach.

Senior Class

Not long ago, the Class of '58 entered D.F.H.S. for the first time as awed, sincere, stumbling seventh graders. To us, a senior was the most marvelous and awe-inspiring individual in the entire school. But the years rolled on; at last, the "sacred seventh graders" became "seniors." Now, we, as seniors will leave D.F.H.S. sadly, with many fond memories. We will never forget the first "senior" party, our class trip to Bear Mountain, the heady feeling of being the arrogant upperclassman. The discussions in English classes, when we learned so much more than just English are unforgettable. And who could want to forget the mad chem. class, or Mr. Polly's beloved math. courses? Then, there were the long sessions after Miss Tunney's class, being "one of her girls." What joy we found in peeving Mr. Petronis! The good times in home ec., the skills learned in shop will both live long in our memories. The thrill of our first football game, the let down feeling after the last buzzer of the last basketball competition, the excitement of the first cheer, and the feeling of pride when we showed our school to a "foreigner" from a neighboring community all made our life in school wonderful. Yet the Class of '58 will never quite feel these emotions, enjoy these same incidents, again; they will only be memories.
